JUDGE JOHN A. RAMSEY'S DEATH.

Judge John A. Ramsey, who was subject to periodical attacks of stomach and kidney trouble for some years previous, was taken down with an attack the fore part of January and gradually grew worse, his heart becoming affected with organic disease. All that medical skill and careful nursing could effect were tried in vain, and the end was seen to be inevitable. One or more physicians were in constant attendance for weeks, and end came about 8:30 a. m. Thursday, March 10.

Funeral services were given by Elder C. W. Adams, of the Christian Church about 11:30 a. m. Saturday, March 12. The church was crowded until there was scarcely comfortable standing room with relatives, friends and people generally who had come to pay their last tribute of respect to one of the town's most distinguished citizens. Elder Mills delivered an able testimonial to the character and life services of the deceased as a Christian and useful citizen.

After the church services the obsequies were taken charge of by Bath Lodge, No. 55, F. & A. M. The Mt. Sterling Commandery of Knights Templars headed the funeral march to the Owingsville Cemetery. Then came the members of the Masonic fraternity of Bath and other lodges, the pall-bearers being Presley Barnes, J. J. Nesbitt, S. D. Thompson, Dr. A. W. Jones, C. F. Martin, A. H. Dawson, A. T. Byron and B. M. Goodpaster.

At the grave the impressive ritual of the Masonic fraternity was conducted by Past Grand Master Samuel K. Veach, of Carlisle. Sir Knight Howard French, of Mt. Sterling Commandery, made an address recounting his brother Sir Knight Ramsey's devotion to that order, their personal friendship, etc.

Besides the profusion of floral tributes by personal friends there were very beautiful and elaborate pieces, by the Kentucky Grand Lodge, No. 55, F. & A. M.; Bath Lodge, No. 55, F. & A. M.; Bath Home Telephone Co.; Ramsey Lodge, F. & A. M., Sharpsburg, Ky.; Mt. Sterling Commandery, K. T.

John Alexander Ramsey was the only son of Dr. W. W. Ramsey and his wife, who was Miss Martha Barnes, daughter of John W. Barnes. He was born Dec. 24, 1844, and was reared in this town. In his early manhood he lived some years in Mt. Sterling and a while in Lexington.

On Sept. 14, 1893, he was married to Miss Bettie Worth Goodpaster, daughter of Levi Goodpaster and his wife, who was Miss Jane Allen. Only one child was born of their union, William Goodpaster Ramsey, who died while County Judge of Bath Oct. 21, 1898. Mrs. Ramsey died June 29, 1890.

He engaged in the hardware business here in the late sixties and carried on that business on a gradually enlarged scale until he acquired a competency and retired from that business in 1899.

He became a Mason in young manhood and took a deep interest in the order, serving as Master of Bath Lodge for a number of terms and was elected Jr. Grand Warden of the Kentucky Grand Lodge in 1896. From that he was promoted annually until he became Grand Master in 1899, serving during the Grand Lodge's Centennial year, 1900. He was one of the officers in charge of the establishment and maintenance of the Old Masons' Home at Shelbyville.

He became an officer of the Owingsville Christian Church in 1876 and was always one of the most active members in the church's interest.

On the death of his son Judge William C. Ramsey in 1898 he was elected by the Fiscal Court County Judge to succeed his son for the unexpired term, and administered the office in a thoroughly business way.

Judge Ramsey was ever on the alert to take advantage of anything that he thought would promote the prosperity, growth and general welfare of the town. He favored the building of good roads, the establishment of good schools, labored to secure a railroad line of any sort to the town, and ever lent the weight of his influence to the town's upbuilding.

As President of the Owingsville Cemetery Co. he had charge of the cemetery since the company's incorporation and took a keen personal pride in improving and beautifying it to the utmost

that the community's resources would permit.

The town and community mourn in the decease of Judge John A. Ramsey the loss of a distinguished and useful citizen.

TRIBUTE TO JUDGE RAMSEY.—The Owingsville High School pays tribute to Judge John A. Ramsey. Students speak of their losing a friend who has always been interested in the interests of the school and who has paid high tribute to his work for the school and the community.

ARM BROKEN.—J. Sheehan and Jesse Sexton were coming home from Mt. Sterling Saturday night in a buggy. A short distance off from Mt. Sterling they collided with a wagon and team, throwing them out and breaking Jo's arm below the elbow. The buggy they were in was also badly damaged.

SLIGHT BLAZE.—The roof of the dining room at Dr. George E. Tribou's residence was discovered on fire while the family was at dinner Wednesday of last week, but was extinguished with a few buckets of water after burning a hole about a yard square. It was caused by sparks from burning trash in the kitchen stove.

YOUNG COMMENTATORS.—Jerome S. McWade in a Sunday-school address at Duluth quoted oddities from a number of children's Biblical compositions that had been submitted to him in competition for a \$15 New Year prize.

Among the more whimsical oddities were:

"Manna is being polite."

"Jerusalem was surrounded by walls to keep in the milk and honey."

"Jacob was a patriarch by trade, in olden days people lived on corn like horses do now. They always called pudden and porridge messes. Jacob could eat a good mess, but Esau, who was the oldest, could not eat as much as you might think. The patriarch Moses never ate nothing except when there was a famine."—Washington Star.

GOING SOME.—"Have you heard the latest auto record?"

"No; what is it?"

"An auto made an hour in 59 minutes."

A MISTAKE.—She—I have just been oiling the cylinder for you, dear.

He (under the motor)—Cylinder be banged! That was my ear.

LARGE ASSISTANCE.—Post Office Clerk—You've put two penny stamps on your letter. The postage is only one penny.

Old Irish Woman—Sure, nivir mind. My son's in the postoffice, so it'll all hup toward his wages. —Fit-Bits.

"So you went into automobile racing as a paying business?"

"Well, sir, doesn't it raise the dust?"

OUR BATH COUNTY WON.—On Friday night, March 11, 1910, the Philoebia and the Philothibia societies of the College of the Bible at Lexington met in public debate. The question debated was: "Resolved that Disputes between Employers and Wage-Earners should be settled by Compulsory Arbitration." The Philoebia debating team, the members of which were D. R. Matthews, H. T. Martin and N. C. Carpenter, had the negative side of the question and proved that compulsory arbitration is unsound, impracticable, undesirable and unconstitutional, and that in the countries where tried failure has been the result, and upon the merits of these arguments they won the decision three to two. The Philothibia debating team produced a strong argument, but that only added more glory to the winners. Just after the speeches and before the decision was read the ushers distributed presents of flowers and books to the teams, and when the decision was read the fellow society members leaped forward and carried the winners from the platform on their shoulders. Yells were beyond great! Society colors flew high! Rats were by the hundred and enthusiasm was at an exceedingly high stage.

After the debate the debaters were entertained at the Philoebia Society hall, where the winners and the losers exchanged congratulations and enjoyed refreshments together.

LAND SALES.

The 127-acre tract of Fasset land on Flat Creek was sold by Master Commissioner Doggett Monday to W. A. Boyd and E. R. Berry at \$118.10 per acre.

The 100-acre Gorrell tract near Springfield Church was sold to A. Sid Hart at \$85.25.

A town lot of about one acre in the town of Sharpsburg was sold to Wm. Kerns for \$1,950.

COURT DAY.—The weather was raw Monday, with a few snowflakes falling, but there was a fair-sized crowd in town and the merchants had a very good trade. There were a big lot of mules offered at very high prices. In fact, all live stock is extremely high. Thos. McClintock bought six work mule at \$160 to \$210.

ARM BROKEN.—J. Sheehan and Jesse Sexton were coming home from Mt. Sterling Saturday night in a buggy. A short distance off from Mt. Sterling they collided with a wagon and team, throwing them out and breaking Jo's arm below the elbow. The buggy they were in was also badly damaged.
